

ABC Notes

ABC Notes was designed to become your stylish and highly customizable, functional and easy to use assistant in taking notes and managing To Do lists. ABC Notes is an awesome note taking application! It takes advantage of touchscreen devices preserving realistic look & feel of paper sticky notes.

Beautiful appearance:

- 45 note skins
- 88 backgrounds to choose from
- 27 badge designs & 115 icons

Extremely functional:

- Scale, rotate and drag notes
- Easy to edit, duplicate, move between desktops

Share your notes:

- Email notes and desktops
- Copy note image to any application
- Save notes as image and place to lock or home screen

No more boring note lists – ABC Notes brings you the ability to make notes on your phone or tablet. Put everything you need to remember into ABC Notes! View you notes the way you want! Rotate your ABC Notes to any angle you wish! ABC Notes is great for shopping lists, student class notebook, to record lecture and interview notes or to track projects, recordings and more tasks at home, school and university (class or homework).
